DATE: February 22, 2023
TO: Foothill/Trabuco Specific Plan Review Board
FROM: Justin Kirk, Associate Planner
SUBJECT: **Traffic Safety in the Canyon**

RECCOMENDATION

1. Receive and file the staff report.

SUMMARY

The Planning Division received the attached letter regarding concerns with traffic safety in the Canyon areas, specifically on Live Oak between intersection of Live Oak and El Toro/Santiago Canyon and the entrance O’neil Park. To facilitate an appropriate discussion on this item, Wei Zhu, Senior Civil Engineer with OC Public Works Traffic Engineering will present at the meeting. Ms. Zhu will detail the manner in which the County assess traffic safety, including, but not limited to road design, trip generation and designation of posted speed limits.
